

CMC-S CCSSM Committee Report, January 24, 2013

At the December 1, 2012 meeting of the Committee the following

1. Selected alternative tasks to use with a Common Core Circles Event
 - a. Selected tasks from various domains of mathematics at various grade levels.
 - b. Created a matrix showing domains and grade levels for each task.
 - c. Created a Monitoring and Sequencing Observation Form
2. Decided to pursue the development of another Common Core Circles Event, this time focusing on the actual selection of a task and concentrating our efforts on the mathematics inherent in the number line.
3. Decided to design a Facilitator's Guide for Common Core Circles.
 - a. The first draft of this has been completed and is out to the committee for revision.
4. Reported on affiliates and others who have run a Common Core Circles Event. Those of which we are aware are listed below:
 - a. SGVMC (Jan. 16, 2013)
 - b. RSBCMTA (Jan. 22, 2012)
 - c. Project Gear-up with LAUSD (Feb. 2, 2013)
 - d. There may be more of which we are unaware.
